The AGS

School Uniform

WE BELIEVE THAT a school uniform provides a sense of pride, unity and common purpose for our internationally diverse student community. We consider it an integral part of being in the AGS School, as it provides children with a true sense of belonging, and fosters discipline and respect for all cultures.

The AGS uniform is both practical and comfortable and is worn by all students from EYFS until the end of Year 8. Some elements of uniform vary according to year groups.

We would like you to help us maintain high standards of dress by ensuring your children properly adhere to the uniform code.

AGS students should only wear official AGS branded items or, where indicated, approved standard items from other suppliers. Your support in this regards invaluable in ensuring that students look smart, presentable and properly representative of the high standards that we expect at the AGS.

HAIR

Hair must be kept clean, neat and tidy; it should be a single natural colour and the style should not be attention-seeking. Hair should be of a similar length all over; very short shaved sides and undercuts are not permitted. Hair should not come over the eyes at any time.

Male haircuts must be tidy, short and clear of the collar, ears and eyes. Hair must not be shorter than a number two blade. Undercuts and mullet hairstyles, two-tone or bleached hair are not permitted. Senior male students should maintain clean-shaven facial hair at all times.

Girls' hair which is long enough to be secured should be tied back using ribbons, scrunchies and/or clips. Large ornamental bows, flowers, hair wraps, beads, coloured or non-natural appearing hair extensions are not permitted.

JEWELLERY

Jewellery is not to be worn with the school uniform. Girls may wear either a plain gold or silver single stud, or a plain gold or silver single sleeper in the lobe of the ear, but no other jewellery is acceptable.

MAKEUP AND NAILS

Makeup and nail polish are not permitted at school. False eyelashes, eyebrow tattoos and other cosmetic tattoos are not allowed. Artificial nails, nail polish and fingernail decorations are also not permitted.

Students who do not meet these guidelines will be required to adjust their hair at their own expense. The ultimate decision on whether a haircut or style is appropriate rests with the relevant sub-school.

Additional Information

LABELLING

It is very important students label every item that is worn or brought to school. A large proportion of property found is unnamed, not fully named or marking is unclear or worn.

Articles that are commonly found unnamed include shoes, jumpers, sports jerseys, swimwear, camp gear, pencil cases, calculators and musical equipment. Please ensure all bags, including sport bags, are also named.

Some suggestions for labelling include:

- Set of labels (stick on or iron on)
- Laundry marker (may need to be redone from time to time)
